H-6 AUTHORIZATION TO INCORPORATE CONCURRENCY CHANGES

The JSF production effort under the Low Rate Initial Production (LRIP) Prime Contract is occurring at the same time as, or concurrently with, the System Development and Demonstration (SDD) program. Due to this concurrency, the LRIP production configuration of the JSF Air System may evolve or change as the design matures and systems are tested and qualified during SDD development testing. LOCKHEED MARTIN, in its prime contract with the US Government, is responsible for incorporating concurrency related changes into the LRIP production Air Systems. The purpose of this clause is to describe SELLER’s responsibility to support LOCKHEED MARTIN in incorporating concurrency related changes into LRIP production.

(b) Definitions

- (1) Variance – For purposes of this clause, “Variance” means a concurrency change that the Contractor has not incorporated into an LRIP 4 Air System at the time of acceptance (DD250).
- (2) Record Variance – For purposes of this clause, “Record Variance” means the documentation indicating the Government’s decision to forego the Contractor’s incorporation of a Concurrency Change into an LRIP 4 Air System and to use an LRIP 4 Air System in an “as is” condition.
- (3) Concurrency Change - For purposes of this clause, “Concurrency Change” means a change to the configuration baseline of LRIP 4 Air System hardware resulting from the SDD design maturation process or the SDD systems testing and qualification process that is necessary to provide the capabilities described in the Capabilities and Configuration Description Document, Attachment (2) of Section J, or achieve the requirements stated in the JSF Air System Contract Specification (JCS), Attachment (2) of JSF SDD Contract N00019-02-C-3002.
- (4) Configuration Baseline – For purposes of this clause, “Configuration Baseline” means the baseline for the LRIP 4 Air System described in Section 4.0 “Configuration Baseline” of the Capabilities and Configuration Description Document, Attachment (2) of Section J, plus Government-approved Change Requests.
- (5) Concurrency Change Plan - For purposes of this clause, “Concurrency Change Plan” means the Contractor’s proposed plan documenting the actions required to incorporate a Concurrency Change into the LRIP 4 Air Systems.
- (6) Pre-Acceptance Concurrency Action – For purposes of this clause, “Pre-Acceptance Concurrency Action” means a Concurrency Change that the Contractor incorporates in an LRIP 4 Air System prior to acceptance of the Air System (via DD250)
- (7) Post-Acceptance Concurrency Action – For purposes of this clause, “Post-Acceptance Concurrency Action” means a Concurrency Change that the Contractor incorporates in an LRIP 4 Air System after acceptance of the Air System (via DD250) via a Contractor-supplied post-acceptance installation kit.
- (8) Point of Discovery – For purposes of this clause, “Point of Discovery” means the date on which a meeting is convened by the Contractor’s Chief Engineer to discuss the resolution of a reported deficiency in the Air System configuration, which, if left unresolved, may result in the Contractor’s failure to provide the capabilities described in the Capabilities and Configuration Description Document, Attachment (2) of Section J, or achieve the requirements stated in the JSF Air System Contract Specification (JCS), Attachment (2) of JSF SDD Contract N00019-02-C-

3002. The Chief Engineer shall convene a meeting of cognizant Contractor and Go practical, but not later than 60 days after the deficiency is reported. Deficiencies may be reported by either Government or Contractor personnel.

(9) Point of Discovery Cut-Off Date – For purposes of this clause, “Point of Discovery Cut-Off Date” means the date appearing in Block 21a of the DD250 for the last LRIP 4 Air System delivered under this contract. The Contractor is not obligated to incorporate Concurrency Changes discovered after the Point of Discovery Cut-Off Date.

(10) Preliminary Engineering Change Proposal (PECP) – For the purposes of this clause, “Preliminary Engineering Change Proposal (PECP)” means an Engineering Change Proposal (DD1692) that does not contain certified cost and pricing data and the Certificate of Current Cost or Pricing Data required by FAR 15.406-2 but does include a not-to-exceed estimate of the proposed change with supporting cost information.

(c) Contractor Responsibility to Incorporate Changes

(1) Material or Workmanship Deficiencies: Concurrency Changes do not include material and workmanship deficiencies. SELLER is obligated to correct material or workmanship deficiencies in accordance with the terms of the Contract.

(2) For any Concurrency Change that does not involve a deficiency in material or workmanship, SELLER will support the LM Concurrency process by a Not to Exceed (NTE) proposal for the recurring effort, as delineated in CM 2YZA00017 Rev C. In the event LOCKHEED MARTIN and its Customer agree to proceed with incorporation of the Concurrency Change, whether by Pre-Acceptance Concurrency Action or Post-Acceptance Concurrency Action, LOCKHEED MARTIN will notify SELLER and SELLER will incorporate the Concurrency Change into LRIP production. Cost and schedule impacts of the Concurrency Change will be negotiated between the Parties consistent with SELLER’s NTE proposal. In no event will a Concurrency Change action under this provision exceed the Truth in Negotiation Act (TINA) threshold. For any action that exceeds the TINA threshold, the Parties will proceed as delineated in the Changes clause of this Contract. Whether any change to the LRIP baseline is a Concurrency Change will be determined by LOCKHEED MARTIN.

For purposes of Concurrency Changes hereunder, non-recurring costs are borne under the SDD contract pursuant to the term of that contract.

H-7 LIQUIDATED DAMAGES FOR LATE DELIVERY Should SELLER fail to make delivery of an item in accordance with the delivery schedule in this PO, then LOCKHEED MARTIN shall be entitled to receive, and SELLER shall pay, compensation in the form of liquidated damages and not as a penalty. SELLER shall be entitled to a ten (10) day grace period. In the event SELLER fails to make delivery of an item within the grace period, then the amount of liquidated damages shall accrue at the rate of \$ _____ per day beginning on the first day of the scheduled delivery date. SELLER agrees that liquidated damages in the foregoing amounts are reasonable in light of the anticipated harm caused by the late delivery, the difficulties of the proof of loss, and the inconvenience or non-feasibility of otherwise obtaining an adequate remedy. Liquidated damages arising under this PO may be deducted by SELLER, in whole or in part, from any payments due SELLER following the late delivery of any such item(s). In no event shall failure to assess liquidated damages be considered a waiver of LOCKHEED MARTIN’s rights in this or any other articles or clauses

set forth herein, or at law or in equity. Moreover, LOCKHEED MARTIN may, as : liquidated damages, recover actual damages under other articles or clauses set forth herein, or by other remedies at law and/or equity.

H-8 WARRANTY SELLER warrants that all Work furnished pursuant to this Contract shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Contract and be free from defects in design, material, and workmanship. This warranty shall begin upon final acceptance and extend for a period of one (1) year. If any nonconforming Work is identified within the warranty period, SELLER shall: (1) at LOCKHEED MARTIN's option, promptly repair, replace, or reperform the Work; (2) pay to LOCKHEED MARTIN as a warranty expense all costs incurred by LOCKHEED MARTIN to remove and replace the nonconforming Work, including without limitation all costs incurred by LOCKHEED MARTIN relating to the removal of such nonconforming Work, the reinsertion of conforming Work and any testing necessitated by the reinstallation of Seller's conforming Work; and (3) pay LOCKHEED MARTIN'S other reasonable costs from delays and disruptions caused to LOCKHEED MARTIN by SELLER's nonconforming Work. Transportation of replacement Work, return of nonconforming Work, handling cost, delays and disruptions costs and reperformance of Work shall be at SELLER's expense. If repair, or replacement, or reperformance of Work is not timely, LOCKHEED MARTIN may elect to return, reperform, repair, replace, or reprocur the non-conforming Work at SELLER's expense. All warranties shall run to LOCKHEED MARTIN and its customers. Notwithstanding any other provision of this Contract, all such costs shall be deemed direct damages.

H-9 PROVISIONAL ACCEPTANCE UNDER SPECIAL CONDITIONS

(a) Acceptance under Special Conditions. LOCKHEED MARTIN may, at the discretion of the Authorized Procurement Representative, finally or provisionally accept any supply prior to completion of work on such supply in the following situations:

- (1) When the SELLER, despite the exercise of due diligence, encounters unavoidable delay in securing SELLER-furnished property;
- (2) When Lockheed Martin or Government-furnished property suitable for installation in any supply to be furnished hereunder is not delivered to the SELLER in sufficient time to permit installation by the SELLER prior to the date the supply is scheduled for delivery; or,
- (3) When defects or deficiencies are known to exist in the Item, but when correction of the defects or deficiencies is not practicable within the delivery schedule set forth in the contract.

(c) Provisional Acceptance of WORK with Unverified or Deficient Requirements.

(1) Due to the concurrent nature of SDD Contract and this Contract, acceptance of WORK delineated shall not be contingent upon completion of all verification requirements under SDD Contract. All unverified requirements shall be listed on the CoC. No amounts shall be withheld at the acceptance or provisional acceptance of the Item due to the fact that the requirements listed on the Unverified Specification Requirements have yet to complete verification.

(2) Notwithstanding the above, if there is an identified deficiency against a requirement stated in this Contract or the SDD Contract, a withhold shall be taken, except in the case where LOCKHEED MARTIN has authorized a Record Variance.

- a. If a Preliminary Engineering Change Proposal (PECP) to correct the deficiency shall be taken at the time of provisional acceptance. The withhold amount shall be negotiated between LOCKHEED MARTIN and the SELLER and shall be based on the estimated price for correction of the deficiency. The withhold amount shall be released on a monthly basis at the rate of 80% of the SELLER's incurred costs to correct the deficiency. The withhold shall be fully released after LOCKHEED MARTIN inspection and approval that the deficiency against which the withhold was taken has been corrected.
- b. If a PECP to correct the deficiency has not been authorized, a withhold shall be taken at the time of provisional acceptance. The withhold amount, subject to mutual agreement, shall be negotiated between LOCKHEED MARTIN and the SELLER.
- (d) Nothing in this clause shall restrict LOCKHEED MARTIN's rights to withhold acceptance or provisional acceptance of the Items due to defects or deficiencies in materials or workmanship or with non-conformances unrelated to the materials and workmanship.

H-10 VARIANCE / WITHHOLD POST ACCEPTANCE

Notwithstanding any provision to the contrary herein, including the Inspection of Supplies – Fixed-Price Clause of this Contract, in the event LOCKHEED MARTIN is subject to a withhold, variance or other remedy by its Customer because of a defect/nonconformance in the SELLER's Work, a corresponding withhold, variance or other remedy shall be assessed against and shall be paid by the SELLER as a temporary or permanent reduction, as the case may be, in the price of the affected item(s).

H-11 ALTERNATIVE DISPUTE RESOLUTION

Alternative Dispute Resolution is the preferred approach for settling Contract disputes. Accordingly, the parties confirm their mutual commitment to consider the use of Alternative Dispute Resolution (ADR) processes to avoid or resolve disputes under this Contract. Notwithstanding the foregoing, nothing herein limits the Parties' rights and remedies under the "Disputes" clause in Section I of this Contract.

H-12 MANAGEMENT OF SUPPLIERS

Notwithstanding any direction to the contrary herein, SELLER is required under this Contract to manage any and all lower tier subcontractors. SELLER shall not use a subcontractor's status as an agreed or directed source as a performance excuse or basis for equitable adjustment.

H-13 INDUSTRIAL PARTICIPATION

(a) It is anticipated that LOCKHEED MARTIN will be involved in a number of foreign industrial participation arrangements in various countries in connection with the sale of LOCKHEED MARTIN's

products to foreign countries. SELLER agrees to cooperate with LOCKHEED MA industrial participation obligations.

(b) LOCKHEED MARTIN encourages SELLER to develop a plan for creating industrial participation opportunities in many countries, including the following: Australia, Canada, Denmark, The Netherlands, Norway, Italy, Turkey, and the United Kingdom. Any industrial participation credit value resulting from SELLER's procurements, investments or technology transfers related to work to be performed under this Contract shall accrue solely to the benefit of LOCKHEED MARTIN for its use.

(c) In addition, SELLER agrees to provide to LOCKHEED MARTIN, at no additional cost, a report every six (6) months during the performance of this Contract summarizing, by country, SELLER's lower tier industrial participation plan, investment plan, and technology transfer activity related to work to be performed under this Contract.

H-14 INVESTMENT

Any decision by SELLER at, or prior to, the date of award of this Contract or at or prior to the date of execution of any modification to this Contract to (i) incur costs, by reason of investment or otherwise, that are not expressly included in writing in the SELLER's bid, offer, or proposal to LOCKHEED MARTIN, agreed to by LOCKHEED MARTIN, and incorporated into this Contract's price, (ii) forego profit on costs, or (iii) apply a management decrement, is made at the sole risk of SELLER. SELLER acknowledges that the price of this Contract shall not be increased by any portion of incurred costs, foregone profit, or management decrement, for any reason, including, but not limited to, a termination for convenience of this Contract, notwithstanding any provisions of this Contract or applicable regulations governing termination for convenience settlements of purchase orders under United States Government prime contracts, unless LOCKHEED MARTIN expressly agrees in writing to pay such portion. LOCKHEED MARTIN, as set forth in the clause of this Contract entitled "Termination for Convenience (Fixed Price)," or "Termination (Cost Reimbursement)" may terminate this Contract for any reason if LOCKHEED MARTIN determines that it is in the LOCKHEED MARTIN's interest to do so. The term "any reason" includes, but is not limited to, termination of the LOCKHEED MARTIN's prime contract with the U.S. Government on any basis, convenience or default. A termination for default of this Contract is justified at any time where the circumstances provided in the clause of this Contract entitled "Default" apply.
