#### **H-18 CONTRACTOR EMPLOYEES (NAVAIR 5252.211-9510) (MAY 2011 - VARIATION)**

(a) In all situations where Seller personnel status is not obvious, Seller’s personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such Seller personnel are Government officials. This can occur during meeting attendance, through written (letter or email) correspondence or verbal discussions (in person or telephonic), when making presentations, or in other situations where their contractor status is not obvious to third parties. This list is not exhaustive. Therefore, the Seller’s employee(s) shall:

- (1) Not by word or deed give the impression or appearance of being a Government employee;
- (2) Wear appropriate badges visible above the waist that identify them as Seller’s employees when in Government spaces, at a Government-sponsored event, or an event outside normal work spaces in support of the contract/order;

(3) Clearly identify themselves as Seller's employees in telephone conversations and in all formal and informal written and electronic correspondence. Identification shall include the name of the company for whom they work;

(4) Identify themselves by name, their company name, the name of the prime contractor their company is supporting, as well as the Government office they are supporting when participating in meetings, conferences, and other interactions in which all parties are not in daily contact with the individual contractor employee; and

(5) Be able to provide, when asked, the full number of the contract/order under which they are performing.

(b) If wearing a badge is a risk to safety and/or security, then an alternative means of identification may be utilized if endorsed by the Contracting Officer's Representative and approved by the Contracting Officer, through LOCKHEED MARTIN.

(c) The Contracting Officer, through LOCKHEED MARTIN, will make final determination of compliance with regulations with regard to proper identification of contractor employees.

#### **PERFORMANCE BASED PAYMENTS**

- (a) Performance-based payments shall form the basis for contract financing payments, if such payments are provided under this contract. The Performance Based Payments schedule set forth in this Contract describes the basis for payment, to include identification of the individual payment events, evidence of completion, and amount of payment due upon completion of each event.
- (b) At no time shall cumulative performance-based payments exceed cumulative contract cost. To ensure compliance with this requirement, the SELLER shall, in addition to providing the information required by FAR 52.232-32 (Performance-Based Payments (APR 2012)), submit the required certificate, modified to include Item (6), as set forth below on or in conjunction with each invoice:

I certify to the best of my knowledge and belief that—

(1) This request for performance-based payment is true and correct; this request (and attachments) has been prepared from the books and records of the Contractor, in accordance with the contract and the instructions of LOCKHEED MARTIN;

(2) (Except as reported in writing on \_\_\_\_\_[insert date if applicable]), all payments to subcontractors and suppliers under this contract have been paid, or will be paid, currently, when due in the ordinary course of business;

(3) There are no encumbrances (except as reported in writing on \_\_\_\_\_[insert date if applicable]) against the property acquired or produced for, and allocated or properly chargeable to, the contract which would affect or impair the Government's title;

(4) There has been no materially adverse change in the financial condition of the Contractor since the submission by the Contractor to LOCKHEED MARTIN of the most recent written information dated \_\_\_\_\_[insert date if applicable]; and

(5) After the making of this requested performance-based payment, the amount of all payments for each deliverable item for which performance-based payments have been requested will not

exceed any limitation in the contract, and the amount of all payments under the contract will not exceed any limitation in the contract.

(6) THE CUMULATIVE PERFORMANCE-BASED PAYMENTS REQUESTED AND PAID TO DATE DO NOT EXCEED CUMULATIVE COST INCURRED UNDER THIS CONTRACT.

(c) Costs-incurred are determined by the SELLER's accounting books and records. LOCKHEED MARTIN intends to rely on the SELLER's submission of cost-incurred information in processing invoices in order to facilitate prompt financing payments.

(d) Verification by LOCKHEED MARTIN of successful performance of each event, according to the criteria outlined in the Performance Based Payments schedule, is required prior to payment.
