**NAVAIR 5252.211-9510 Contractor Employees (NAVAIR) (MAY 2011)**

(a) In all situations where contractor personnel status is not obvious, all contractor personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such contractor personnel are Government officials. This can occur during meeting attendance, through written (letter or email) correspondence or verbal discussions (in person or telephonic), when making presentations, or in other situations where their contractor status is not obvious to third parties. This list is not exhaustive. Therefore, the contractor employee(s) shall:

(1) Not by word or deed give the impression or appearance of being a Government employee;

(2) Wear appropriate badges visible above the waist that identify them as contractor employees when in Government spaces, at a Government-sponsored event, or an event outside normal work spaces in support of the contract/order;

(3) Clearly identify themselves as contractor employees in telephone conversations and in all formal and informal written and electronic correspondence. Identification shall include the name of the company for whom they work;

(4) Identify themselves by name, their company name, if they are a subcontractor the name of the prime contractor their company is supporting, as well as the Government office they are supporting when participating in meetings, conferences, and other interactions in which all parties are not in daily contact with the individual contractor employee; and

(5) Be able to provide, when asked, the full number of the contract/order under which they are performing, and the name of the Contracting Officer's Representative.

(b) If wearing a badge is a risk to safety and/or security, then an alternative means of identification maybe utilized if endorsed by the Contracting Officer's Representative and approved by the Contracting Officer.

(c) The Contracting Officer will make final determination of compliance with regulations with regard to proper identification of contractor employees.

**NAVAIR 5252.227-9511 Disclosure, Use and Protection of Proprietary Information (NAVAIR) (FEB 2009)**  
(The terms "prime contractor" means "Seller.")

(a) During the performance of this contract, the Government may use an independent services contractor (ISC). who is neither an agent nor employee of the Government. The ISC may be used to conduct reviews, evaluations, or independent verification and validations of technical documents submitted to the Government during performance.

(b) The use of an ISC is solely for the convenience of the Government. The ISC has no obligation to the prime contractor. The prime contractor is required to provide full cooperation, working facilities and access to the ISC for the purposes stated in paragraph (a) above.

(c) Since the ISC is neither an employee nor an agent of the Government, any findings, recommendations, analyses, or conclusions of such a contractor are not those of the Government.

(d) The prime contractor acknowledges that the Government has the right to use ISCs as stated in paragraph (a) above. It is possible that under such an arrangement the ISC may require access to or the use of information (other than restricted cost or pricing data), which is proprietary to the prime contractor.

(e) To protect any such proprietary information from disclosure or use, and to establish the respective rights and duties of both the ISC and prime contractor, the prime contractor agrees to enter into a direct agreement with any ISC as the Government requires. A properly executed copy (per FAR 9.505-4) of the agreement will be provided to the Procuring Contracting Officer.

**NAVAIR 5252.228-9501 Liability Insurance (NAVAIR) (MAR 1999)** (Applies if Seller will be performing work on a Government installation.)

The following types of insurance are required in accordance with the clause entitled FAR 52.228-5, "Insurance--Work on a Government Installation" and shall be maintained in the minimum amounts shown:

(a) Comprehensive General Liability: \$200,000 per person and \$500,000 per accident for bodily injury.

(b) Automobile Insurance: \$200,000 per person and \$500,000 per accident for bodily injury and \$500,000 per accident for property damage.

(c) Standard Workman's Compensation and Employer's Liability Insurance (or, where maritime employment is involved, Longshoremen's and Harbor Worker's Compensation Insurance) in the minimum amount of \$100,000.

(d) Aircraft public and passenger liability: \$200,000 per person and \$500,000 per occurrence for bodily injury, other than passenger liability; \$200,000 per occurrence for property damage. Passenger bodily injury liability limits of \$200,000 per passenger, multiplied by the number of seats or number of passengers, whichever is greater.

#### **Part IV. SECTION H –PRIME CONTRACT SPECIAL PROVISIONS**

For purposes of this Section H, "Government" means the United States Government. The following Section H clauses are incorporated into the Contract in full-text:

##### **H-2 NONCOMMERCIAL DATA RIGHTS**

(a) Noncommercial Data and Software

- 1) The Government desires to obtain a minimum of Government Purpose Rights (GPR) license rights for the Block 4 Follow On Modernization capabilities and design as defined in DFARS 252.227-7013 (Rights in Technical Data-Noncommercial Items) and DFARS 252.227-7014 (Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation).
- 2) If Seller believes it to be in the best interest of the F-35 program to consider incorporation of any noncommercial technical data, noncommercial computer software, or noncommercial computer software documentation into a Development Foundation Contract III (DFC III) deliverable with less than Government Purpose Rights, Seller shall submit a written request for approval to the Contracting Officer via Lockheed Martin prior to incorporation. The request for approval shall describe all of the following: alternatives evaluated; the benefit to the F-35 program for using the noncommercial technical data, noncommercial computer software, or noncommercial computer software documentation; the name of the entity asserting less than Government Purpose Rights; the basis for the assertion, to include sufficient information to enable the Contracting Officer to evaluate any listed assertion information as defined in DFARS 252.227-7017; and a Rough Order of Magnitude to obtain a Government Purpose Rights license as defined in DFARS 252.227-7013 (Rights in Technical Data -Noncommercial Items) and DFARS 252.227-7014 (Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation). The Government shall respond

to the request for approval within 5 business days acknowledging approval/disapproval or requesting additional information. If Lockheed Martin does not receive any response from the Government within 5 business days of the initial request, then Seller is authorized to use the noncommercial technical data, noncommercial computer software, or noncommercial computer software documentation with less than Government Purpose Rights in the performance of this contract.

### **H-3 PRESERVATION OF RIGHTS**

#### **PRESERVATION OF RIGHTS FOR TECHNICAL DATA, COMPUTER SOFTWARE, AND COMPUTER SOFTWARE DOCUMENTATION ACCESSED, DELIVERED, OR PROVIDED ELECTRONICALLY**

Information, whether delivered pursuant to the Contract Data Requirements List (CDRL) or provided in response to any other requirement contained in this contract, which would be deemed "technical data" under DFARS 252.227-7013, Rights in Technical Data-Noncommercial Items (FEB 2014), or "computer software" and "computer software documentation" under DFARS 252.227-7014, Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation (FEB 2014), if it were delivered in written form, shall not lose its status as technical data, computer software, or computer software documentation solely because access by the Government, delivery by the Contractor, or provision by the Contractor is by electronic means. The rights of the parties shall be as specified in DFARS 252.227-7013 and DFARS 252.227-7014.

### **H-4 SECURITY ACTIVITY**

(Applies if this contract contains a DD Form 254, DOD Contract Security Classification Specification, and requires performance at a government location in the U.S. or overseas.)

Prior to beginning operations involving classified information on an installation identified on the DD Form 254, Seller shall take the following actions:

(a) At least thirty days prior to beginning operation, notify the Information Protection Office shown in the distribution block of the DD Form 254 as to:

- 1) The name, address, and telephone number of Seller's representative and designated alternate in the U.S. or overseas area, as appropriate;
- 2) The prime contract number and military contracting command;
- 3) The highest classification category of defense information to which Seller's employees will have access;
- 4) The Air Force installations in the U.S. (in overseas areas identify only the APO number(s)) where the contract work will be performed;
- 5) The date Seller's operations will begin on base in the U.S. or in the overseas area;
- 6) The estimated completion date of operations on base in the U.S. or in the overseas area; and,
- 7) Any changes to information previously provided under this clause.

This requirement is in addition to visit request procedures contained in DoDM 5220.22, National Industrial Security Program: Procedures for Government Activities Relating to Foreign Ownership, Control, or Influence (FOCI).

(b) Prior to beginning operations involving classified information on an installation identified on the DD 254, Seller shall enter into a Visitor Group Security Agreement (or understanding) with the installation commander to ensure that the Seller's security procedures are properly integrated with those of the installation. As a minimum, the agreement shall identify the security actions that will be performed:

- 1) By the installation for the Seller, such as providing storage and classified reproduction facilities, guard services, security forms, security inspections, classified mail services, security badges, visitor control, and investigating security incidents; and
- 2) Jointly by the Seller and the installation, such packaging and addressing classified transmittals, security checks, internal security controls, and implementing emergency procedures to protect classified material.
