

To Whom it May Concern,

December 2, 2024

As of January 1, 2025, Lockheed Martin will discontinue the distribution of paper-copy Service Bulletins (SB's) and Service Information Letters (SIL's) released for all legacy C-130/L100 airframes (including but not limited to C-130B, E, F, H, Q, R & T). All legacy C-130/L100 SB's and SIL's will continue to be posted immediately to the Enterprise Data Collaborative System (EDCS) upon release, where users/operators can retrieve, view, and/or download them at their convenience.

Legacy C-130/L100 SB's and SIL's can be found in the appropriate sub-folders on EDCS by navigating to the following location:

Data Library>Air Mobility Support (AMS/GS)>Library, Tech Pubs>C130B-H Service Bulletins

Users/Operators who do not currently have EDCS access can register for a free account by contacting the following organization via email:

ammm-edcs.gr-aero@lmco.com

For non-US customer/partner new users, you will be asked to provide the following:

- Please specify for all requests the access is for EDCS Airlift (C130)
- First Name/Last Name
- Email Address
- Organization Name
- LM POC if email request is from a non-LM person (LM POC is David C. Hicks)

For US customer/partner new users, you will be asked to provide the following:

- Please specify for all requests the access is for EDCS Airlift (C130)
- First Name/Last Name
- Email Address
- Phone Number
- Organization Name (USAF, DCMA, etc.)
- LM POC if email request is from a non-LM person or not from the USG specified POC for access

For Supplier new users, you will be asked to provide the following:

- Email Address
- Phone Number
- EXOSTAR ORG ID
- LM POC if email request is from a non-LM person or not from the USG specified POC for access

Users/Operators that are unable to establish EDCS access or experience difficulty during the registration process can contact the C-130B-H Technical Publications Requirements Manager for assistance at: david.c.hicks@lmco.com

Respectfully,

David Corey Hicks
