## Stratford Visitor Packet

# Lockheed Martin Cyber Quest® 2023

## Stratford Visitor Packet

### Requirements for Entry into the Lockheed Martin / Sikorsky Building

- Only registered students and coaches will be admitted. No parents, siblings, or spectators.
- Alternates will only be admitted if they are replacing a primary team member, were pre-registered, and submitted a signed photo release.
- Students and coaches can be U.S. and non-U.S. citizens that are US Permanent Resident or Green Card holders. Non-US persons are not allowed in the facility.
- Students and coaches must bring one of the following documents to the event for proof of citizenship / permanent residency:
  - US Passport (or Passport Card)
  - Birth Certificate (original or certified copy, i.e., with raised seal; hospital issued birth certificates are not accepted.) This must be accompanied by a government issued photo I.D. for anyone over 18. School IDs with photos are acceptable for students under 18.
  - US Permanent Resident Card (aka “Green Card”)
  - Global Entry card
  - NEXUS card
  - US Certificate of Birth Abroad (Form FS-545). This must be accompanied by a government issued photo I.D. for anyone over 18. School IDs with photos are acceptable for students under 18.
  - US Certification of Naturalization (Form N-550, N-570, or N-578). This must be accompanied by a government issued photo I.D. for anyone over 18. School IDs with photos are acceptable for students under 18.
- All persons, vehicles and property are subject to search.
- Smoking is not allowed on all Lockheed Martin leased, owned or operated facility.
- **No open toed shoes are permitted.**
- **UNDER NO CIRCUMSTANCES are ANY cell phones, smart watches, e-readers, broad-band network cards, recording or photography devices allowed inside the facility.** Please leave ALL phones in your cars. Since cell phones will not be allowed in any building, we will provide a number where family and friends can reach you in case of emergency. If you are observed in possession of any of these devices, your team is subject to immediate disqualification.
- Backpacks are discouraged. If brought, they will be stored until the competition is complete. Please leave valuables at home or in car prior to entering the facility.

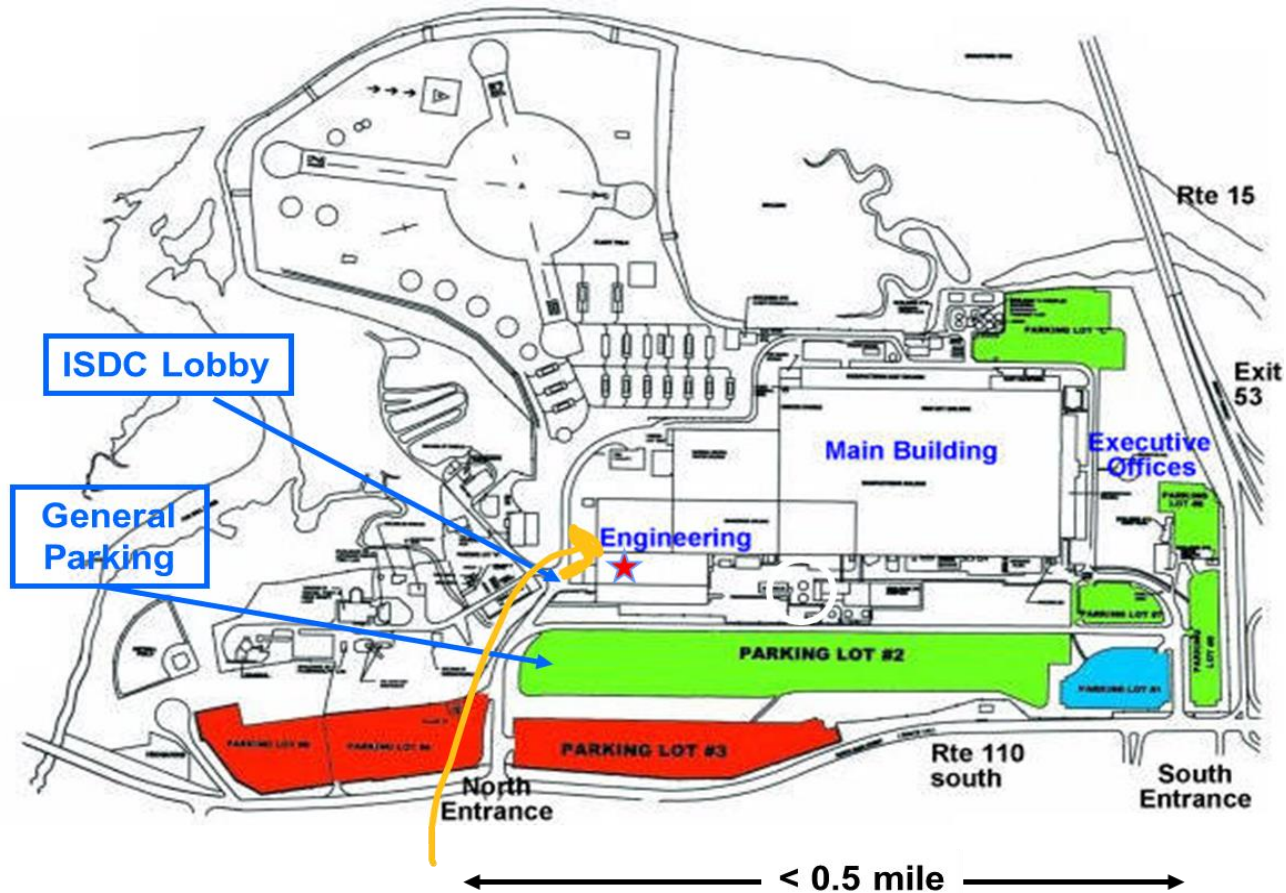

# Lockheed Martin Cyber Quest® 2023

## Stratford Visitor Packet

- Each team is allowed to bring up to three (3) laptop computers to the competition.
- Keyboards & mice permitted if desired.
- Reference books are permitted.
- Printers, USB drives, & virtual machines are not permitted.
- Students participating will have access to the Lockheed Martin Guest Wi-Fi, therefore internet access for research is permitted.
- NOTE - Cell phones, digital watches, e-readers, and broadband network cards are NOT allowed during the Cyber Quest competition. If you are observed using any of these devices, your team is subject to immediate disqualification.
- Please ensure your computer is wireless-capable before the event day. If you can connect to a public wireless network (e.g. the public library or Panera) and browse the Internet, you should be in good shape. Some school computers have security lockdowns that prevent wireless configuration, so please verify this before you come. If any PC's are locked down by the school, we cannot help with that and will provide a laptop for use during the competition.
