

# SCE Access Instructions

Please follow these instructions to obtain access to the SWFTS Collaboration Environment (SCE).

## Prerequisite

Applicants are required to have **one** of the following:

- a) Lockheed Martin ID (Employee Active Directory ID or Contractor NEAT account)
- b) DoD Common Access Card (CAC)
- c) DoD-trusted [External Certification Authority](#) (ECA) certificate on a hardware device (USB or smart card) – the ECA certificate must be Medium Hardware Assurance per the U.S. DoD External Certification Authority X.509 Certificate Policy Version 4.1

## Instructions

For applicants with prerequisite a), please skip to Step 3 below.

Step	Description	Prerequisite Applicability
1	Register for a Lockheed Martin <a href="#">AccessLM</a> account	b, c
2	Upon notification that AccessLM account is approved, complete your account setup (change password, register certificate, etc.) per email instructions	b, c
3	Complete the <a href="#">SCE Access Request Form</a>	a, b, c
4	Upon notification that SCE access is granted, proceed to the <a href="#">SWFTS Collaboration Environment</a>	a, b, c
